Greeting Cards for a Great Cause!

This year, make your holiday greetings mean even more when you send cards made by CSS participants. These unique cards feature one-of-a-kind artwork that has been hand-painted by CSS participants. All proceeds benefit CSS and will provide services for individuals with Intellectual/Developmental Disabilities (I/DD.) Your purchase will provide services such as Respite, Customized Employment, Adult and Residential Services, Supported Parenting Services and CSS Academy classes. CSS serves more than 800 families each year with I/DD such as Down syndrome, Autism and cerebral palsy.

Larger orders (of 150 cards or more) can be personalized with a special message from your company or family.
